

JLT Towner Clients Honored At VCIA Conference

(August 13, 2012)— The Vermont Captive Insurance Association (VCIA) honored two prominent JLT Towner Group US clients at its annual conference last week.

Brian Braley was one of two industry icons given an honorary lifetime member award by the VCIA for his long-time commitment to the association and service to the captive industry and Vermont. Braley is vice president of legislative affairs at Housing Authority Insurance Group.

The VCIA also honored Michael Bemis, president and CEO of The National Catholic Risk Retention Group, Inc., with its annual Captive Crusader Award. The honor is presented by the VCIA staff to recognize an individual's service and commitment to the organization "beyond the call of duty."

"We are honored to count both gentlemen as clients of JLT Towner," says Guy Ragosta, partner and chief executive officer of the Vermont-based captive management and consulting company. "Both men have made great contributions to the understanding and use of risk retention groups (RRGs), and have long been leaders in our industry."
